2. At a meeting on 20 July 1965, the above named participants agreed that it would be more economical and efficient for CIA Records Center personnel to perform all necessary machine card collation work through use of an IBM 088 machine.

3. The yearly rental for the IBM 088 will be approximately \$600.00 more than the combined rental fees for the IBM 089 presently used in RID and the IBM 087 presently used by the Records Center.

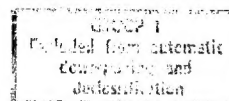

4. DC/RID and C/DDP/SG agreed to provide funds from the RID budget equivalent to the rental fee for the IBM 089 (\$220.00 per month) plus the \$600.00 additional for the IBM 088 for the remaining portion of fiscal year 1966. [redacted] stated that the rental fee for the IBM 088 machine would then be absorbed by the [redacted] budget beginning with fiscal year 1967.
